

ILLINOIS COLLEGE CHORAL WORKSHOP – Tuesday, Sept 28

- Each student should bring his/her own copies of all IMEA District IV music AND a pencil. (It's a good idea to keep your music in a folder or binder)
- Only water is allowed in the Chapel and rehearsal room. No other food or drink, please.
- Directors may sit in on rehearsals, OR a directors-only lounge will be available in Rammelkamp Chapel with munchies and beverages for your convenience. You may also feel free to explore our beautiful campus.
- Busses can drop off students in the McGaw Fine Arts Center parking lot (north-west corner of campus – #10 on the attached campus map). Students can then walk across the main quad to the Chapel (north-east corner of campus – #4). Busses should park in the Facilities Management lot, located across from the Football field on the south-east side of campus (number 35 on the attached map)
- Students may dress comfortably in casual clothing. The final “performance” of the day will be an informal run-through of the music with minimal audience. No need for concert dress.
- Lunch will be served in Cummings Dining Hall and will be free for directors – students should bring \$6-7 for lunch
- Rammelkamp Chapel, McGaw Fine Arts Center, and Cummings Dining Hall are all short walks from one another. If a student has a physical need or disability, please contact Abby Musgrove at choirs@ic.edu for assistance.

Workshop Schedule:
