Library Catalogs

- [Rolling Prairie Library System Catalog](#) (RPLS Catalog) – To search for books at the SHG library, use the Advanced Search option and limit your search by location (select “Sacred Heart/Griffin HS, Springfield”).

Library Databases

** Decide whether your person is a HISTORICAL or CONTEMPORARY figure – this will help you determine which databases to search.

- [CREDOreference](#) – Contains biographies from reference books. (You will only be able to access this from a school computer.)
- [Global Issues in Context](#) – Use this database to find biographical information about CONTEMPORARY figures only.
- [Student Resources in Context: GOLD](#) Use this database to find biographical information about CONTEMPORARY and HISTORICAL figures from reference books, primary source documents, and periodicals and newspapers.
- [US History in Context](#) and/or [World History in Context](#) – Use the history databases to search for biographical information about HISTORICAL figures. You can search both databases simultaneously by checking the circle next to “Both World & US” under the search box in the upper right hand corner of the screen.
