

The after school pickup will go smoothly if we all follow simple directions.

1. When you pull in from Monroe Street do not stop and block the drive. We need to have two way traffic.
2. Feel free to park in any open spaces that are available in the lot.
3. Feel free to park along the curb at the perimeter of the lot.
4. Do not double park along the perimeter. We need the traffic to be able to flow through the lot.
5. Be courteous to the other parents and things will go smoothly.
6. Be patient the lot will start to clear out by 3:15.
