## Directions:

6760 Jacksonville Rd. The farm is 6.0 miles west of SHG on Old Jacksonville road. As you near, there is a gravel pit, the road goes down a slight hill and crosses a creek. The driveway to the farmhouse is on the left as you drive back up a small hill. There's a sign at the property. If you see New Salem Church Rd., you just passed it, however, you can also turn on New Salem Church Rd and then take the first driveway to the left.
