

Dear Parents and Students,

Happy summer time. The graduation on Sunday, May 25 was a wonderful celebration of the Mass with so many family and friends of the graduates. Our 211 seniors have accomplished so much academically, contributed a huge amount of time and talent to service, and have lived and promoted our community of faith. Their plans for the future are filled with great ambitions and dreams. We are proud of them and wish them much success and happiness.

Summer school will be in session throughout the month of June and continuing to July 3. We are sorry that it creeps right up to the holiday but we couldn't start any earlier with the Catholic grades schools and District 186 being in session later than the SHG second semester.

The renovation of the library is underway. What a project! Thank you for your contributions to this project via the Black and Gold Auction held on December 1.

On March 31st, Mr. Coryell and I attended a meeting regarding the **Fulbright Teacher Exchange Program**. Exchange teachers from the U.S., other countries, and school representatives learned more about the program and special emphasis was given to "hosting" an exchange teacher. Matthew Coryell will be going to an all girls boarding school in Ghana, Africa for the 2008-09 school year to teach World History and Government. Mrs. Theodora Akweley, a teacher from that school, will come to fill Mr. Coryell's position here at SHG as a World History teacher for the school year. This program has received excellent reviews for being outstanding in promoting cultural and international awareness. We are looking forward to this opportunity for SHG, Mrs. Akweley, and Mr. Coryell.

Daily announcements will continue to be posted throughout the summer. We will also use SchoolReach at appropriate times. Celebrate the joys of summer. Wishing you many blessings....

Sr. Margaret Joanne
