

Cody Prosperini

My name is Cody Prosperini, and I am a freshman here at SHG. I am a Student Ambassador, a member of the Academic Team, and hoping to play baseball in the spring. I try to involve myself in as many extra-curricular activities as I can, while still maintaining outstanding grades. I am striving to be in the run for valedictorian when the times comes. Outside of school, I have been playing the guitar for eight years and have raised over \$1700 in two different car washes that I planned for the Loftus Family and the Children's Miracle Network. My favorite part about SHG is the community, where even freshman feel welcome within the first couple weeks. I am proud to be a part of daily life here at SHG.
