

Allyson Padget

Hello! My name is Allyson Padget and I am a sophomore here at SHG. I am involved in many clubs like Art Club, French Club, Key Club, SEA, Academic Team, and Science Olympiad. I am also involved in Snowballs (which are the greatest things ever)! I love SHG because of the people and my amazing friends! At SHG I feel like we truly are a community and that everyone can find someone they can connect with! SHG is, and will be, one of the greatest experiences of my life!
