APPLICANT'S STATEMENT

Educational programs operated under the auspices of the Diocese of Springfield Illinois admit students and do not discriminate on the basis of race, color, gender, national, ethnic origin, physical or mental impairment. Students within the limitations of Sacred Heart Griffin High School's ability to accommodate, are entitled to all rights, privileges, programs, and activities generally available to students in its programs.

Admission to Sacred Heart Griffin High Schools will be denied to any student expelled from another school, be it public or private. Appropriateness of educational programs and/or the availability of space may be legitimate factors affecting admission. As a condition of student enrollment, parents/guardians are to accept and to support the rules and guidelines in this handbook. Sacred Heart Griffin High School shall comply with the Americans with Disabilities Act and shall do all in its power to provide Catholic education to students with disabilities.

Once students are accepted into the Sacred Heart Griffin High School community, they are required to maintain a commitment to the school's mission, academic goals, and religious values as outlined in the Student-Parent Handbook. Continued enrollment at Sacred Heart Griffin High School will be contingent upon appropriate achievement in all of these areas.
